\$260 April 1st—July 1st
\$290 July 2nd—July 15th

Grades 9th—12th
Maximum of 20 campers
Minimum of 10 campers

Come join 19 others for a week of heart pumping, adrenaline rushing, pure excitement week of Paintball camp at Butler Springs Christian Camp. Throughout the week, we will set safety standards, implement and execute team strategies, play scenario games, practice individual missional objectives, and play intense! Come see a whole different side of paintball you have never experienced—one where Jesus Christ is the focus of everything! Campers will also have the opportunity to participate in all of Butler Springs Challenge Course activities.

The camp will provide a Tippmann 98, protective equipment, CO₂ refills, a sufficient amount of paint, and a camp shirt to everyone who registers. During all games there will be at least 2 referees making sure game play follows the safety regulations set forth by the camp. Markers will be chronographed within the 270-280 FPS range. You may bring your own personal marker and equipment but it will be kept under lock and key with the rest of the paintball equipment and must meet all of the camp's standards. Butler Springs can only accommodate CO₂ (we are not equipped for HPA). The camp is not responsible for any malfunctions or damage occurred on personal equipment.
