

Dear Friend of Camp,

I received this **letter from a young man**. I've only included the important parts, **BUT I HOPE YOU SEE THE NEED!**

"I have attended camp at Butler Springs in previous years and would like to do so again this summer. Camp has been an uplifting experience to me in my Christian walk. Each year, I felt that Christ is present in the group, from worship to the other daily activities..... Also, the staff at the camp was very enjoyable to be with... And they acted like they wanted to be there helping you have fun and make progress in your faith journey."

*"As I previously stated in this letter, I would like to attend camp again this year. **There is only one problem** to me doing so. **I do not have the funds necessary** to attend camp. I know that the camp offers scholarships to those like myself who require financial aid, and I wish to know if I'm eligible to receive any of those funds? I am the eldest of four children... **I have made a decision for Christ** and want to **be baptized at camp**. Thank you for your consideration."*

Another letter,

*"My name is Chelsea, and the summer before my senior year of high school, **I was given a scholarship**, to go to the senior high week of camp. That week of camp **drastically changed my life**. I went into the week thinking that it was going to be a great vacation, but **God had something else in mind**. During that week of camp, Christ's love became real to me for the first time in my life."*

*"Not only did I truly fall in love with Jesus over that week of camp, but I also made the decision to go to **Bible College**. That decision has **completely changed my life**. I wouldn't be where I am today if it wasn't for that week of camp at Butler Springs. Butler Springs is given the memories that I will never forget."*

Someone like you made this life change possible by giving to the scholarship fund. **Your gift changes lives.**

Thank you for making this sacrifice for young people. Over the years many stories like this could be told. It reminds me of the lyrics to an old song by Ray Boltz, entitled "Thank you."

*"One by one they came; Far as the eye could see.
Each life somehow touched; By your generosity.
Little things that you had done, Sacrifices made,
Unnoticed on the earth; In heaven, now proclaimed.*

*Thank you for giving to the Lord; **I am a life that was changed.***

*Thank you for giving to the Lord; **I am so glad you gave."***

Who will be waiting in heaven to say: "Thank you" to you, for giving a gift that changed their eternal destiny? I need your help to raise \$10,000 for scholarships this summer!

Your gift could change a life forever!

Camping for the Master,
Keith Warner, Director
